LETTER OF APPRECIATION

Dear Abin Shaji Thomas,

We are delighted to extend our heartfelt appreciation and gratitude for your outstanding contribution as an **Event Coordinator** for **MindKraft 2026** — the Capture The Flag (CTF) Cybersecurity Challenge hosted by Karunya University.

Your dedication, meticulous planning, and tireless efforts played a pivotal role in the seamless execution of this event. The success of MindKraft 2026 stands as a testament to your commitment and professionalism, and we are truly grateful for the remarkable work you delivered.

Samcommunity Events, as a proud sponsor and participant of this event, recognizes the immense effort you invested in organizing and managing the activities. Your leadership and coordination were instrumental in creating a rewarding experience for all participants.

We sincerely hope that our association continues to grow, and we look forward to collaborating with you in future endeavors. Once again, we extend our deepest appreciation for your exemplary service and commitment to excellence.

Warm regards,

Sourav
